ETHICS SCHOOL OF BUILDING MAINTENANCE-2 Week Course

“ETHICS”- Environmental/Technical/Housekeepers/Interactive/Course

To Produce Diligent, Ethically Minded, and Knowledgeable Housekeeping Personnel In the Appalachian Region.

Course Size- 10-20 Students

Duration- 5 Days Per/Week, From 9AM to 3:30PM, With ½ Hr. Lunch

J.Marks Inc. dba Rush Enterprises has been operating in the Tri-State Region of Kentucky, Ohio, and West Virginia for a period of 27 years, Jesse Marks is President and CEO. During the time period from 1978-1994 we operated primarily as a complete janitorial service as to building maintenance, floor cleaning, carpet cleaning, and window cleaning. From 1994 to the present we have focused the main part of our attention on the selling of cleaning chemicals, plastic bags, toiletries, maintenance equipment, and a host of other products that we stock in our 4,000 square feet of warehouse space in Grayson, Ky. Jesse Marks is presently serving as Secretary/Treasurer of the Kentucky Chapter of The International Executive Housekeepers Association. He is also recognized by the International Sanitary Supply Association, and is certified by the National Restaurant Association as to Food Service Sanitation. We have over 200 customers in 24 states, along with international customers in Canada, and Spain. We assist each of these as to maintenance concerns.
